Capacity: With Boom lengths from **90' – 150'** Sprayflex has a boom that will **fit your needs!**

Less Weight: Sprayflex Aluminum Booms weigh less than the competitors.

Versatility!

Sprayflex 3PT Sprayers can....

...to your High Clearance sprayer chassis, so no field conditions will stop you from getting out and spraying at the right time.

...easily switch from 3PT Sprayer....

Boom Joint **"flexes"** on two Axis for Superior Boom Protection

Ultimate fore and aft Boom Cushion to dissipate energy for added Boom Protection

Durability: Sprayflex Aluminum Box Boom design allows the booms to **"flex"** without fatigue unlike competitors welded aluminum and steel booms.

Vertical Mast Lift

Protection: Spray bodies and tubes are completely encased within the boom, allowing for superior protection against breakage but still allow easy access to them.
